

27th Annual Moonglowers Jazz Band Festival

Fellow Jazz Band Directors,

We trust this letter finds all of you well rested after marching band and holiday concert season, and ready for a great Jazz Band year! The Scotch Plains Fanwood High School Music Department would like to extend you an invitation to the 27th Annual Scotch Plains - Fanwood High School, Moonglowers Jazz Band Festival. The Festival will be held on Friday March 28th, 2025 and all are welcome!

All bands will receive a complimentary recording of your band and a taped commentary as well as a brief clinic from a member of the judging panel *immediately* following your performance in an adjacent classroom (158). There will be plenty of food and drink available for purchase prior to and after all performances, so please bring your appetite!

The goal of this festival is to afford your students an opportunity to enjoy other bands away from the heavy competition arena. One Outstanding soloist, and One Outstanding rhythm, or wind sections will be recognized ***PER BAND***. There will also be (3) Overall Outstanding Soloist for the evening and Overall Sections for the evening.

If you are interested, please complete this [REGISTRATION FORM](#).

We are limiting registration to around 10 Bands to ensure a timely return to your school that evening.

If you have any other questions or concerns please contact Durand Thomas via dthomas@spfk12.org or by phone: 980-889-8600 x31188..

We look forward to hearing from all of you!!

Scotch Plains Fanwood Music Department
